I enclose cheque in the sum of £ (Made payable to "Family Law Association")

I wish to renew my membership/associate membership of the FLA. I have read and agree to act in accordance with the terms of the constitution of the FLA.

I understand that the aims of the FLA are as detailed in Appendix 1. I acknowledge that the duties of all members of the FLA are as detailed in Appendix 1. I accept said duties and agree to act in a manner that is compatible with the members' duties.

SIGNED: DATE:

FOR OFFICE USE ONLY

APPENDIX 1

I understand that the aims of the FLA are as follows:-

- I. To promote Family Law as a branch of law in its own right, rather than as a type of litigation.
- II. To promote and provide education and training in Family Law and in skills necessary for good practice.
- III. To provide opportunities and facilities for members to meet and to exchange knowledge, views and ideas, both at national and at regional level.
- IV. To monitor law reform which has a bearing on Family Law and to engage, where possible in the process of reform at whatever level.
- V. To provide a point of reference for the public and for other organisations on Family Law issues.
- VI. To undertake such other activities as the committee or membership may from time to time determine.

I acknowledge that the duties of all members of the FLA are as follows:-

- I. To be aware of the FLA's aims and actively to support the FLA in the furtherance of these.
- II. To co-operate with and assist fellow members in the good and efficient administration of the FLA.
- III. To use contact with other practitioners, whether in person, by correspondence, or by telephone, as constructively as possible and with a view to resolving rather than inflaming issues between parties.
- IV. To encourage clients to explore different methods of resolution following the breakdown of a relationship and regularly to review the appropriateness of the method chosen.
- V. To handle contact with clients (both the member's client and any opponent) with professionalism and sensitivity.
